Key Fundraising Events for 2011

A Day for Meta House
Friday, May 6
Time: 8 am, 12 pm, and 5:30 pm
Location: Pier Wisconsin/Discover World, 500 N. Harbor at Milwaukee's Lakefront

Join us as we celebrate A Day for Meta House. In 1988, Meta House became the first in the nation to include children in the residential drug and alcohol treatment setting. By enabling mothers to bring their children with them, Meta House is able to provide comprehensive services to break the cycle of addiction in families.

Just in time for Mother's Day, A Day for Meta House celebrates the incredible stories of our mothers, and you will hear from a Meta House mother about how her recovery benefits her children. We invite you to celebrate with a special woman in your life and to witness the changes taking place every day for families at Meta House. This is a free, fundraising event. Proceeds benefit Meta House programs for women and children.

Parking in the Pier Wisconsin lot is complimentary. Overflow parking available near the Summerfest grounds. Please plan to arrive at least 15 minutes early as we plan to be at capacity for each session. Call (414) 977-5807 to reserve your space today.
